

## Wireless

**Let G&M Compliance support your Compliance Certification requirements for your wireless devices!**

Wireless products – such as laptops, phones, medical devices, or any of a hundred other things – must undergo extensive global testing and certification procedures to be marketed for international and country specific standards.

G&M Compliance can help you achieve this by conducting the testing, managing complicated international approval tasks, and interacting directly with the many certification authorities. We offer wireless testing and international approvals for a number of wireless technology products.

*Types of Wireless Devices:*

- Wireless Networking (WiFi) 802.11a/b/g/n
- Bluetooth
- GPS
- Zigbee
- Standard wireless devices (remote controls)
- Satellite communications
- Wireless phones and headphones
- Wireless medical devices
- Wireless PDAs, PCs, notebooks, and RF identification systems

*Types of Certifications:*

- FCC (U.S.) & Industry Canada
- European R&TTE Directive
- Eastern Europe & Russia
- China SRRC & Asia Pacific (Taiwan, Japan, S. Korea, etc.)
- Latin America (Mexico, Argentina, Brazil, Chile, etc.)

If you are looking for a compliance laboratory that can provide you with global certifications for your wireless devices, please visit our website or give us a call.
